About Us

The Centre for Computer Science and Information Technology (CCSIT), established in 1994, is a pioneer institution under the direct management of the University of Calicut in the self finance mode. With a legacy of excellence spanning over two decades, CCSIT has been at the forefront of delivering high-quality, affordable education in the field of computer science

Today, CCSIT has 8 centres across five districts in Kerala, offering a range of indemand programmes including MCA,MCA evening and BSc Artificial Intelligence. Our graduates have gone on to become skilled software professionals and respected academicians, making their mark both in India and abroad.

Placement Cell

Our Placement Cell is dedicated to shaping successful careers by providing excellent campus placement opportunities for students. We maintain strong connections with top multinational companies and industry leaders, helping students secure placements in reputed organizations such as Tata Consultancy Services, Wipro, UST, Deloitte, and REBIT.
